- 3.** Discussion regarding the Festival Budget and remaining funds in the amount of \$31,657.71 from 2024 that were left in the Town's bank. Funds were left in account to go towards securing bands for 2025 festival. Money that was left from the Budget remains in the Town bank account, use the remaining \$31,657.71 to go towards paying the bands. The first two years the committee bought supplies that were to be used by the committee and the Town (ie. Delinators, fencing, etc.).

Committee was also charged the HST which has to be credited back to the committee. The Town claims the HST so we can not charge them HST.

6:52 p.m., Deputy Mayor Morgan left the meeting.

**Motion 2025- 532 Councilor Taylor / Hackett**

Moved to allow remaining funds from the 2024 Festival Budget, in the amount of \$31,657.71, to be used as the Festival Committee requires. All remaining funds left after the 2025 festival expenses have been paid to be disbursed to the festival committee, once they have their bank account secured. Going forward, the annual festival budget will be paid outright to the committee once the annual Municipal Budget has been approved by Municipal Affairs and the Town is in a position to do so. Should the festival committee dissolve, all remaining funds in the committee account, will be returned to the Town of Irishtown-Summerside. All in favor, carried.
